### GRADES 3 & 4

Boys and Girls are co-ed, 10 game season

### GRADES 5 & 6

8-game season plus playoffs

We are working to create separate boys and girls leagues. For the summer, we were about 8 girls short of having an all-girls league. We're anticipating getting more for the winter but if we do not have enough girls to play in their own league, they are welcome to continue to play CO-ED or we will refund your money. We saw great improvement in skill and confidence for boys and girls playing CO-ED.

### GRADES 7, 8, 9 & 10

Look for more information soon regarding a winter league (February – April session)! It will run between winter and Spring school sports!

More Info coming soon!
