

# St. John's Virtual Sunday School

facebook

*Parents and Guardians,*

*This year due to COVID-19 Sunday school will be virtual for the first half of the year; but we will reevaluate to see if we can do in-person instruction after the new year.*

*Sunday School has its own Facebook page, please go follow the group. This is where weekly videos will be uploaded of our Director, Jamie Zatorski, telling the stories to the children. Afterwards there will a worksheet stories there will be a worksheet to go along with the story. Finally, Miss Jamie's favorite part is the crafts where she will do a step by step on how to complete the craft.*

*We want your children to still receive the curriculum to continue being on a regular schedule. With that in mind we still will have the obligation of completing registration forms. Registration forms will be emailed to you all directly. Please fill them out and return the completed form to Jamie Zatorski. (Email below)*

*I cannot wait to share the love of Jesus Christ with your children.*

*Jamie Zatorski  
Sunday School Director  
(631) 312-0963*
